Welcome

Dear student,

Thank you for choosing Stupora's **Campus France service**.

We are delighted to support you in this important step of your plans to study in France.

The Campus France procedure is an essential step for many international students. Our mission is to guide you through every step so that you can put together a compliant, coherent and convincing file.

In this guide, you will discover how our support works and the different steps of your procedure.

ABOUT THE SERVICE

The **Campus France** service was designed to support students through every formality of the Campus France procedure.

This procedure includes several important steps, notably creating your account, putting together your file, choosing programmes, validating your information, paying the fees and preparing for the Campus France interview when one is required.

Our role is to support you throughout this procedure to limit errors, optimise the quality of your file and increase your chances of success.

THE SERVICE'S OBJECTIVES

Our support aims to:

- Support you through every step of the Campus France procedure.
- Put together a file that meets Campus France's requirements.
- Showcase your academic background.
- Prepare you effectively for the Campus France interview.
- Follow up until your file is validated.

OUR SUPPORT METHOD

Step 1: Creating your Campus France account

We help you create and set up your Campus France account.

Step 2: Putting together your file

We analyse each institution's admission criteria and check that your profile meets the requirements.

Step 3: Choosing programmes

We help you select the programmes and institutions best suited to your plans.

Step 4: Checking your file

Before any validation, we carry out a complete check of your file to identify any errors or inconsistencies.

Step 5: Preparing for the Campus France interview

If your procedure includes an interview, we prepare you with mock interviews, personalised advice and frequently asked questions.

Step 6: Following up your procedure

We follow the progress of your file and support you until the Campus France procedure is validated.

WHAT YOUR SUPPORT INCLUDES

Your support includes in particular:

- Creating and setting up your Campus France account
- Help with filling in your file
- Checking the information entered
